Kootenay Regional Domestic Violence Conference

Responses to Domestic Violence in Rural Communities

**September 18th & 19th, 2019
Nelson, BC | Prestige Lakeside Resort**

What is the conference focus?

The conference speakers and presentations will address the challenges and complexities of working in the area of domestic violence. Together, service partners in the Kootenay region will be provided the opportunity to increase their professional capacity and working relationships in moving toward a more coordinated response to incidents of domestic violence.

Who will attend the conference?

Service providers in the Kootenay region that work with women, children and families who are or who have been affected by domestic violence. This includes counselors, mental health clinicians, outreach workers, transition house workers, family support workers, social workers, doctors, teachers, educational assistants, victim service workers, police, criminal justice workers, advocates, and early childhood educators.
